

The N.M.P.Z. advise you to choose to observe sea turtles with **specialized professionals**, who are endorsed by the N.M.P.Z. Management Agency, to ensure minimal disturbance to the sea turtles. However, in the event that you accidentally find a sea turtle, **we kindly request you to follow the instructions mentioned within this code of conduct.**

Badge of special associate endorsed by the N.M.P.Z. Management Agency: 'Observation of the sea turtle in the area of the N.M.P.Z. (Laganas Bay)'

Professionals who bear this badge are considered special associates of the N.M.P.Z. Management Agency and are exclusively involved with sea turtle (Caretta Caretta) observation activities in Laganas Bay. During excursions, which last about one hour, these professionals strictly abide by established N.M.P.Z. rules and regulations to minimally disturb the turtles under observation.

Badge of special associate endorsed by the N.M.P.Z. Management Agency: 'Eco-tourist sea tours in the area of the N.M.P.Z.'

Professionals who bear this badge are considered special associates of the N.M.P.Z. Management Agency and are exclusively involved with sea tours lasting between 3 and 6 hours. Their main task is to inform/ educate visitors about the natural surrounding environment and sea turtle biology. During these tours, observation of sea turtles may occur, whereby these professionals strictly abide by established N.M.P.Z. rules and regulations to minimally disturb the turtle under observation.
